

Extending the folding  
grammar with additional  
domains

Unstructured domains

```
graph LR; A[Unstructured domains] --> B[Extending the folding grammar with additional domains];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is shaded gray and contains the text 'Unstructured domains'. The box on the left is white with a black border and contains the text 'Extending the folding grammar with additional domains' arranged in three lines. A black arrow points from the right box to the left box, indicating a flow or relationship from unstructured domains to the extension of the folding grammar.
