

Constraining the Secondary
Structure Recursions

Hard Constraints

```
graph LR; A[Hard Constraints] --> B[Constraining the Secondary Structure Recursions]
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'Hard Constraints'. The box on the left is white with a black border and contains the text 'Constraining the Secondary Structure Recursions'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship or flow from the constraints to the recursion process.
