

Data Structures and  
Preprocessor Macros

```
graph LR; A[Basic Data Structures for Structure Prediction and Evaluation] --> B[Data Structures and Preprocessor Macros]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Data Structures and Preprocessor Macros'. The box on the right is white with a black border and contains the text 'Basic Data Structures for Structure Prediction and Evaluation'. A black arrow points from the right box to the left box, indicating a dependency or relationship.

Basic Data Structures  
for Structure Prediction  
and Evaluation
