

Constraining the Secondary
Structure Predictions and
Evaluations

Incorporating SHAPE
reactivity data

```
graph LR; A[Incorporating SHAPE reactivity data] --> B[Constraining the Secondary Structure Predictions and Evaluations]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Incorporating SHAPE reactivity data'. The box on the left is white with a black border and contains the text 'Constraining the Secondary Structure Predictions and Evaluations'.
