

Utilities

Parsing, Converting,
and Comparing - Functions
to Manipulate Sequence
and Structure Strings

```
graph RL; A["Parsing, Converting, and Comparing - Functions to Manipulate Sequence and Structure Strings"] --> B["Utilities"];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the word "Utilities". The box on the right is gray with a black border and contains the text "Parsing, Converting, and Comparing - Functions to Manipulate Sequence and Structure Strings". A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the descriptive text to the category "Utilities".
