

Constraining the Secondary
Structure Predictions and
Evaluations

Soft Constraints

```
graph RL; A[Soft Constraints] --> B[Constraining the Secondary Structure Predictions and Evaluations];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Constraining the Secondary Structure Predictions and Evaluations'. The box on the right is gray with a black border and contains the text 'Soft Constraints'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship or flow from 'Soft Constraints' to the 'Constraining' process.
