

Extending the folding  
grammar with additional  
domains

Structured domains

```
graph RL; A[Structured domains] --> B[Extending the folding grammar with additional domains];
```

A diagram consisting of two rectangular boxes. The box on the right is shaded gray and contains the text 'Structured domains'. The box on the left is white with a black border and contains the text 'Extending the folding grammar with additional domains'. A black arrow points from the right side of the gray box to the left side of the white box.
