

Extending the folding
grammar with additional
domains

Unstructured domains

```
graph LR; A[Unstructured domains] --> B[Extending the folding grammar with additional domains];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'Extending the folding grammar with additional domains'. The box on the right is gray with a black border and contains the text 'Unstructured domains'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a flow or relationship from 'Unstructured domains' to the extension of the folding grammar.
