

RNA-RNA Interaction

Partition Function
for two Hybridized
Sequences as a Stepwise
Process

```
graph LR; A[Partition Function for two Hybridized Sequences as a Stepwise Process] --> B[RNA-RNA Interaction]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RNA-RNA Interaction'. The box on the right is gray with a black border and contains the text 'Partition Function for two Hybridized Sequences as a Stepwise Process'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship or flow from the partition function to the interaction.
