

Minimum Free Energy  
(MFE) Algorithms

Backtracking MFE structures

```
graph RL; A[Backtracking MFE structures] --> B[Minimum Free Energy (MFE) Algorithms];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from right to left. The box on the right is shaded gray and contains the text 'Backtracking MFE structures'. The box on the left is white with a black border and contains the text 'Minimum Free Energy (MFE) Algorithms'.
