

Extending the folding
grammar with additional
domains

Structured domains

```
graph RL; A[Structured domains] --> B[Extending the folding grammar with additional domains];
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text 'Extending the folding grammar with additional domains' arranged in three lines. The box on the right is gray with a black border and contains the text 'Structured domains' in a single line. A horizontal arrow points from the right side of the gray box to the left side of the white box.
