

Utilities

Parsing, converting,
and comparing sequences

```
graph RL; A["Parsing, converting, and comparing sequences"] --> B["Utilities"]
```

The diagram consists of two rectangular boxes. The box on the right is gray and contains the text 'Parsing, converting, and comparing sequences'. The box on the left is white and contains the text 'Utilities'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a flow or relationship from the parsing/conversion/compare step to the utilities step.
