

Utilities

Parsing, converting,  
and comparing sequences

```
graph LR; A[Parsing, converting, and comparing sequences] --> B[Utilities]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the word "Utilities". The box on the right is gray with a black border and contains the text "Parsing, converting, and comparing sequences" arranged in two lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a directional relationship from the gray box to the white box.
