

Global MFE Prediction

Deprecated Interface
for Global MFE Prediction

```
graph LR; A[Deprecated Interface for Global MFE Prediction] --> B[Global MFE Prediction]
```

The diagram consists of two rectangular boxes. The box on the left is white with a thin black border and contains the text 'Global MFE Prediction'. The box on the right is gray with a thin black border and contains the text 'Deprecated Interface for Global MFE Prediction' in two lines. A black arrow points from the left side of the gray box to the right side of the white box, indicating a relationship or transition from the deprecated interface to the current prediction module.
