

The RNA folding grammar

Fine-tuning of the
implemented models

```
graph LR; A[Fine-tuning of the implemented models] --> B[The RNA folding grammar];
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'The RNA folding grammar'. The box on the right is gray with a black border and contains the text 'Fine-tuning of the implemented models'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the fine-tuning process to the grammar.
