

Minimum Free Energy
(MFE) algorithms

RNA-RNA interaction

MFE Structures of two
hybridized Sequences

```
graph LR; A[MFE Structures of two hybridized Sequences] --> B[Minimum Free Energy (MFE) algorithms]; A --> C[RNA-RNA interaction];
```

The diagram illustrates the relationship between three concepts. On the right, a gray box labeled 'MFE Structures of two hybridized Sequences' has two arrows pointing left. One arrow points to a white box labeled 'Minimum Free Energy (MFE) algorithms' at the top left, and the other points to a white box labeled 'RNA-RNA interaction' at the bottom left.
